

YAREN YILMAZ

ARCHITECTURAL DESIGNER

Istanbul, Turkey | +90 531 859 3156 | yaren950@hotmail.com

Architectural designer and recent graduate of Istanbul Technical University with a focus on sustainable design, adaptive reuse, and computational design. Experienced in producing technical drawings and contributing to large-scale projects through internships at BINAA Architecture Office, Tersane Istanbul, and Arkitera Architecture Center. Comfortable with parametric workflows in Rhino and Grasshopper, and committed to design solutions that respond thoughtfully to context, material, and program.

PROFESSIONAL EXPERIENCE

Arkitera Architecture Center — Istanbul, Turkey

Editorial / Architectural Intern July 2025 - August 2025

- Translated and edited architectural content for digital publication
- Supported content production and research on contemporary architecture
- Assisted in organizing architectural media and publications

Tersane Istanbul Construction Site — Istanbul, Turkey

Site Intern July 2024 - August 2024

- Observed and documented on-site construction processes of a large-scale mixed-use development
- Coordinated between architectural drawings and site implementation
- Gained knowledge of materials, structural systems, and construction sequencing
- Assisted in site reporting and documentation

BINAA Architecture Office — Istanbul, Turkey

Architectural Intern June 2023 - August 2023

- Produced technical drawings (plans, sections, details) for a headquarter in Algeria
- Assisted in the preparation of application drawings using AutoCAD
- Collaborated with architects on façade development and layout revisions
- Contributed to a large scale office concept development in Algeria

EXTRACURRICULAR & LEADERSHIP

Fikret Yüksel Foundation

Volunteer 2020-2021

- Managed team coordination and project development in Miami district regional

FLL (First Lego League)

Team Captain 2015-2016

- Led the team in robotics competitions, one in Bursa and one in Istanbul

Student Council – Yaşar Acar Science High School

President 2017-2018

- Organized school events and managed student initiatives

EDUCATION

Istanbul Technical University

- BSc Architecture | GPA: 3.12
- Yaşar Acar High School of Science | GPA: 92.4 / 100

SKILLS

Design & Visualization

- Adobe Photoshop — [Advanced]
- Adobe Illustrator — [Intermediate]

3D & CAD

- AutoCAD — [Advanced]
- Rhino — [Advanced]
- SketchUp — [Intermediate]

Parametric Design

- Grasshopper — [Intermediate]

BIM

- Revit / ArchiCAD — [Beginner]

Rendering

- V-Ray / Lumion / Enscape — [Beginner]

LANGUAGE

- Turkish — Native
- English — C1 (IELTS Academic: 7.0)

ADDITIONAL INFORMATION

- Completed language training in Bournemouth, UK
- Strong interest in sustainable design, adaptive reuse, and computational design
